## PONTE VEDRA BEACH WOMEN'S HEALTH & ROBOTICS SYMPOSIUM

**OCTOBER 9-11, 2026**

**Ponte Vedra Inn & Club • Ponte Vedra Beach, Florida**

# PONTE VEDRA WOMEN'S HEALTH AND ROBOTICS SYMPOSIUM

October 9-11, 2026 • Ponte Vedra Inn & Club • Ponte Vedra Beach, Florida

## Welcome

Each and every day, women globally from across the country are diagnosed with early and advanced cancers that affect families throughout the world. While there have been major advances in diagnosing women's cancers with innovative techniques such as robotic surgery and with novel treatments for our colleagues in primary care as well as oncology, opportunities exist to introduce these advancements into our community.

This year, the Institute of Surgical Excellence, St. Vincent's and the Cancer Specialists of North Florida have partnered together to deliver educational information and teamwork to our community through the Ponte Vedra Beach Women's Health and Robotics Symposium.

The science is changing so rapidly each and every day, and it is only through programs such as this that we can bring together physicians, advanced practice professionals, clinicians, nurses, students, and other healthcare professionals together with our industry partners colleagues so that we can collaborate together to help improve the care by bringing state of the art medicine to patients in our community.

Thank you for your consideration of our request for participation, we look forward to receiving your commitment. If you have any questions, please contact Tyler Gillespie, [tgillespie@veritasamc.com](mailto:tgillespie@veritasamc.com) or 847-920-6573.

With best regards,

*Martin Martino*
